President's word

SPA 9 May 2022

25 players... just enough to get our reduced green fee... well nearly, in fact only 24 as Mike Minne couldn't attend due to an accident the day before (car is total loss but Mike has luckily no injuries) . Nevertheless he was kept secretly on the list.

Weather was excellent and the environment gorgeous. But all complained with reason about the greens. They were really awful, very bumpy , extremely slow and for sure the worst we've ever played on. Thus very disappointing, specially with the good reputation of Spa. Moreover the bunkers were not good at all, very irregular in sand depth and difficult to get out decently.

The green fee was 65€ - 60€ per individual and 5€ from SNGG- but the secretary couldn't cope in the computer with this separation of payment. So the suggestion of the committee was to let everyone pay the 65€ and that a drink would be offered by SNGG to all present in compensation.

Our sponsors were René Schoubben, Guy Rasse, and Dany Payeur who got their military wings 50 years ago. A great table filled with many prizes. Unfortunately Dany Payeur couldn't attend and will most probably not be playing with us for the coming months. He is suffering from the back since a long time and maybe will undergo surgery for herniated disk. We wish him all the best and he will keep us informed about the progress of his condition .

We had a thought about the former sponsor of Spa Mr. André Mignon who died a few years ago and we remember that he narrated some great stories of Belgian aviation, amongst others.

Yve Paelinck was our starter as usual and for info he met in the morning the President of Spa who thanked our group for coming each year to have a competition.

About 20 members stayed for dinner and all in all it was a wonderful day and we hope that next year Spa will be back in top condition (and surely it will be).
