Yves Paelinck

Mont Garni 19 July 2024

We are playing our traditional Captain's prize at Mont Garni since many years now. The time when we paid 1€/hole for green fee is over. I presume this offer had an overwhelming success and the whole of Belgium wanted to play during this short period, especially as the course is absolutely enjoyable, very long but flat (luckily) and every hole is really different and challenging. The course was in excellent condition as usual with a slight change compared to the years before however. The high rough marked with blue and green stakes had to be considered as biotope areas and forbidden to enter. A penalty drop had to be taken. Of course the Texas scramble formula is very appreciated by all and most probably we shall do it again at our last competition of 2024.

Yves created superbly equilibrated flights especially in the 5 groups of 3 players where 14 strokes were allocated to every team and moreover each one consisted of Men 1, Men 2 and Lady. There were 2 flights of 4, bringing the total players to 23 including Mr. Cornez member at Mont garni. As a SOP (Standard Operating Procedure for the non-pilots) Yves printed all the necessary info for the meeting and distributed one to every team.

Lieve & JJ must have updated Buddha (after L'Empereur) because often a veil of clouds blocked the sunrays protecting us from the 30° heat. Nevertheless many of us did suffer with this temperature with barely a small breeze. Many holes are in the forest providing an extra welcome shade and one can imagine that the 19th hole had a lot of success.

Next meeting is over the northern border at Nieuwkerk on the 5th of August. It ...seems to be a hidden jewel consisting of 9 holes to be played twice but from different tee boxes of course. Now as it is in the Netherlands we talk about water and that's not surprising – can't escape that – so if you have a look on their site you'll notice water on every hole. Watch out and be careful for the many small Dutch water channels along the holes.

We are still looking for a location to play our final competition followed by the AG and closing diner. LLN is in doubt about the diner which doesn't seem good anymore. 7 Fontaines and Falnuée have apparently the same problem. A pity because those are centrally situated. Some of our members are checking this out in the coming days and will report to the committee very soon and afterwards a decision can be taken.

Yours faithfully,

Patrick Swaelens

On Monday the 5th August ,
for the first time in our history, is SNGG playing abroad !!

We hope to see you at the Golfclub Landgoed Nieuwkerk
located : Nieuwkerksedijk Zuid 50
5051 Goirle
00 31 13 534 2029

Koffie met lekkers, borrelhapjes
Greenfee 18 holes :

61.50 €

Koffie met lekkers, borrelhapjes
hoofdgerecht vlees, vis of vega
Greenfee 18 holes :

€ 81,50

Tip

The golf club is situated
10Kms south of Tilburg
ancient wool capital of
NL
and its old town
is worth a visit
