What a beautiful day. Blue skies, 25°C, no wind, no noise. 1h15 ride from the north of Brussels, the course is in the middle of a huge nature reserve, accessible by dirt roads that are very easy to drive on. Friendly clubhouse, lovely terrace overlooking the 9/18 green, welcoming staff who immediately offered us coffee accompanied by a generous piece of apple pie.

Beautiful, well-maintained fairways, although narrow in places. Numerous bunkers and side or cross ditches justify the high playing handicaps. Excellent greens, not too fast, contributed to some fine scores of over 30 points. Nieuwkerk has been voted the most beautiful 9-hole course in the Netherlands three times in four years.

15 satisfied players, 6 ladies, 6 men¹ and 3 men². Back on the terrace, the ordered drinks arrive accompanied by baskets of borrelhapjes with sauce. There was plenty to talk about in a delightfully relaxed atmosphere.

Yves then announced the results, with Lieve and Jean-Jacques presenting the prizes for their sponsorship.

Everyone stayed for dinner, which everyone really enjoyed.

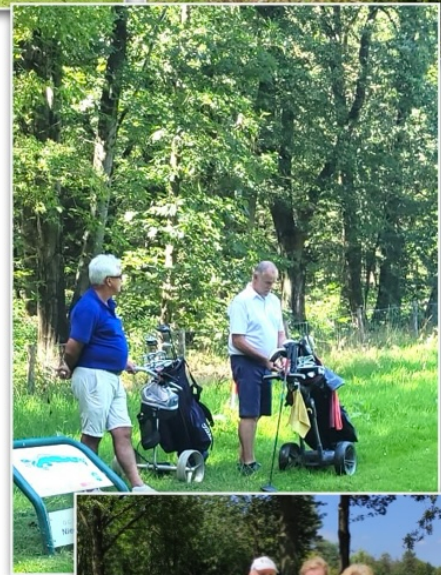

Next meeting in Rinkven, just after the Soudal Open. The course will be tip-top. Rinkven has seriously increased its prices but sngg will manage to limit the green fee to €75.

The 26th of August

After the SOUDAL OPEN
Rinkven International Golf Club will welcome
the
SNGG Golf Group compétition.

We will be playing on the South Course

South Course

De South Course van Rinkven bestaat uit 18 prachtige holes in een **authentieke parkomgeving**. Deze baan van ongeveer 6000 meter lang ontstond uit een combinatie van het oorspronkelijke rode en witte 9 holes tracé. Met drie par 3's, dertien par 4's en twee par 5's is deze baan perfect gebalanceerd voor zowel de beginnende als de gevorderde speler. Enkele grote waterhindernissen en goed geplaatste bunkers zorgen voor een uitdagend parcours!
