President's Word

KAMPENHOUT

4 October 2024

Once again not many players, only 14 present although the weather was excellent, 15° and the sun was there, 3L-6 Men 1 -5 Men 2. I. The committee doesn't really understand why we were so few? The distance could not have been a problem so....

Why? Please let us know if you have a good reason, in the way that we don't need to know if it is because family or very personal reason but if this is due to our organisation, location or whatever inside our SNGG it can help in the future specially as our AG is coming soon and all propositions are welcome.

After having listened to the comments of the players we may say that the course was generally speaking nice. Most of the fairways were good only the 4th and 5th were forbidden for buggy's where they had to drive in the rough. Some greens were quite "bumpy" and the rough was high, dense and wet so we all had problems to find our balls there and very difficult to play out. Nevertheless it was very nice playing this friendly course. JJ Simons and Yves Paelinckx had an excellent idea to allow one Mulligan anywhere as the practice was closed being under renovation.

The meeting was sponsored by SNGG with wines from our last year's endowment. Also chocolates were given to the Lady winner. Finally a lottery was held meaning that 8 persons (out of the 14) didn't return home empty handed.

Next meeting and last of the summer is on Friday the 18th at Falnuée followed by the General Assembly and our closing dinner. ALL propositions and remarks are welcome !!!!! IF ???? any, then please inform a member of the Committee.

The program and schedule will follow soon. Note that you still have a few days to register and choose your menu on the starter's list.

Patrick Swaelens

Congratulation

Dear members ,

We are playing our final 2024 season's competition
on Friday the 18th of October
In "Falnué Golf Club"

*

We've decided to play a "Scramble"

The team members all hit from the same spot on each shot,
with the team selecting the best ball for their next shot.

NO required tee-shots per player !

This continues until completion of the hole.

The starting-list is open on SNGG website.

Choose your team
and join us on Friday the 18th of October

The 18th of October
